

PRIVACY POLICY

Last updated: 2024/12/05

The text below represents a privacy policy and explains what data we collect from you and how it is used.

By performing any actions on this website you confirm that you have read the privacy policy and the user agreement, and confirm your agreement with the provisions of said documents.

WHAT INFORMATION WE COLLECT FROM THE USER

- * - Name and surname
- * - E-mail address
- * - Phone number
- * - Links to social media profiles
- * - Other public information about the user
- * - Information the user provided to us independently through any available communication method or a form on this website
- * - Cookies
- * - IP addresses
- * - Yandex.Metrica and Google Analytics information.

HOW WE USE THE USER INFORMATION

The information we receive from the user will be used as follows:

- * - For newsletters regarding courses, events, products and goods
- * - To collect statistics
- * - To contact the user via the most convenient communication channel.

HOW WE PROTECT THE USER INFORMATION

We use a variety of administrative, management and technical security measures to protect your personal information. Our Company adheres to various international control standards aimed at dealing with personal information, which include certain control measures to protect information collected on the Internet.

However, while we strive to protect your personal information, you should also take steps to protect it.

By contacting our support service, any user can unsubscribe and send a request to delete their personal data from our system.

We do not pass information about users to third parties. All information received is used only within our Company.

Any attempt to substitute, steal, or destroy data will be prosecuted in accordance with the laws of Thailand.

This privacy policy is subject to change at any time, and such changes will be reflected herein.
